

Aubrey Todd has been on the Galilee CDC Board of Directors since the start of the program in 2000. As a charter member, he has been extremely involved with the development of Galilee CDC, especially since he lives in one of the target areas and attends church at Galilee Baptist. He wants to help the community because he feels everyone should be able to own an affordable house. He has lived in San Angelo for 24 years, serving as an elementary principal for 9 years and an assistant principal before that. Before moving to San Angelo, he served Sweetwater ISD for 26 years. He also serves on the Baptist Memorial Board, the Boys and Girls Club Board, Wells Fargo Community Board, and the Juneteenth Board. He has served on the GCDC Board for 9 years.
