

Gladys Hicks is a retired civil service employee with 30 years of federal service. She has served on the Galilee CDC Board for two years. She was informed by Rev. Crider about the important work that was being accomplished by Galilee CDC and expressed an interest in becoming involved. He invited her to attend a board meeting and has been hooked ever since. She loves being a part of the effort to help so many deserving folks become home-owners; a goal that many assumed was outside their reach
